**JULY 6-10; 13-17; 20-24; 27-31**

**RED BALL SUMMER CAMP (Ages 5—10)**

This week long camp will focus on tennis, but will include other fun activities and games to further develop children’s hand/eye/ball co-ordination. Children learn to serve, rally and play on the 36’ court using red balls. They progress through the program and work on movement, balance, basic strokes and how to rally. Children are taught the rules and etiquette of tennis.

They refine effective swing shapes with the use of spin and build cross-court and down the line groundstroke exchanges. They work on footwork patterns and learn how to make tactical decisions during play.

Admittance into the Rose Hill Gang requires initial consultation with coaches, parents, and players. These tournament players are committed athletes who are seeking an inspiring training environment to develop tennis, character and friendships in a team setting.
